**Mixed media** Fun! Students learn age appropriate sculpting and drawing techniques, keep a sketch book, and are exposed to art history that relates to each project. Students will also create a portfolio of their work by the end of the session.

**Drawing** classes are for older kids that are ready to take their drawing skills to the next level. They will practice observational drawing skills utilizing line, shading, contour, & perspective. Drawings will be completed with various black and white and colored media. College bound students can work to produce portfolio ready pieces.
